Dear Sir,

I find that Dr W. J. C Birney made an assignment
of all his property, made 15. '41, to Mr John Birney Senr, for
the benefit of his Creditors. His petition was filed in due
form and he was discharged as an Insolvent July 8 '41.

His estate was valued at \$1650 a sum far inferior to
his liabilities. No mention is made, in the Schedule of
his debts, of the judgment obtained against him before Alder.^{man}
Christian. If you think it advisable, I can advise him
a note, and if that should have no effect we can proceed

further,

Respectfully yours

Dear Sir

I have duly rec^d your check for \$112.50, & thank you for your kind attention, now & heretofore. I am also obliged to you for informing me that some of the churches make complaint of this contribution to my support. They surely must be ignorant that the far greater portion of my salary is derived from the State Stock, whh now pays no interest, - so that I should lose \$2100 or more a year, were not the collections for the Episcopal Fund paid to me, instead of being invested, - amounting to perhaps \$600, - thus making my actual loss yearly ~~\$~~ about \$1500. The sums contributed by the congregations were to enable me to continue to reside in Phil^a, - & trusting to their good faith I yesterday rented my residence for two years more, though at a reduced rent. I hope these things will be understood.

Very respectfully

Dear Sir

By order of the Vestry of
Christ Church, I have to request you will have done,
by walling up, the windows in the North side of your build-
ing on Fifth Street, next adjoining the Bennet Ground
of said Church, which windows open on to said
Bennet Ground.

I am further directed to inform you, the Vestry
will be under the necessity from a sense of duty to
cause the said windows to be walled up, if not
done by you in one month from this date.

It is hoped you will see the propriety of the
request, and of the feelings of the great
number whose Family & Friends have been there
entered, and the duty of a Vestry and its Officers
in such cases is self-evident.

Very Respectfully

Your Obedient Servant

Dear Sir:

I acknowledge with many thanks,
the receipt of yr. favor of the 5th inst. enclosing a check
for \$15 for the use of St. James' Ch. - wh. I have en-
dorsed & given to Dr. A. Wells, our Trustee -

The church is now under roof, & will prob-
ably be completed by the middle of Oct^r - at wh. time
I trust, there will be but a very small debt on the
same, altho' there is great difficulty in raising mon-
ey.

With my best regards to the Rector & Vestry

My dear Sir/

I have at your request examined the
papers which you submitted to me, with a view to
ascertain the (correctness of your opinion that Mr.

Fleming had encroached upon the Land of Saint
(for the Herring Ground)
Church. - Your deeds call for 354 feet on Fifth St.

Running South from the S. E. Corner of Mulberry St. -

The Church, subsequent to the purchase of the Herring
Ground, purchased another lot, adjoining it on

the South, which is described as being fifty feet in
front on 5th St. - This lot was afterwards conveyed
(in 1792)

to Mr. Mearns, under whom Mr. Fleming now
holds it. - I understand that from Mulberry St.

to the South line of Mr. Fleming's buildings, there are
about 405 feet to the bank; and that from Mulberry

St. to the North line of Mr. Fleming's buildings, there
are full 354 feet. There is a surplus of between 1
& 2 feet, which Mr. Fleming has appropriated to
himself. The only question to be determined is
a question of fact viz: Did Mr. Fleming build on
the North line of the lot as actually built and
claimed by Mr. Brighthouse? If he did, I think
you cannot interfere with him. If he built
North of that line, I am of opinion that he has
taken possession of land to which he has no title.

I am,

Very respectfully,
Yrs.
